This Brooklyn 25-foot wide townhouse is 6,750 square foot with 5 bedroom, 4.5 bath. This historic, Italianate brownstone features 13.5' ceilings on the parlor floor, a stoop entry with double doors, original wood floors, large windows, original mantels, and period details including a mahogany bannister, moldings, and wainscoting.

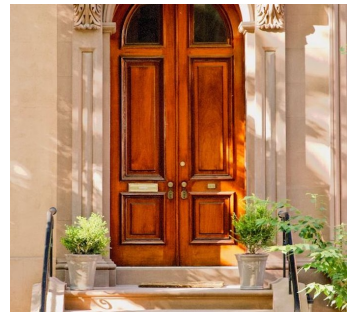

The open layout parlor floor features living and formal dining rooms, both with original marble fireplaces. The kitchen blends modern amenities with the home's historic charm. The second floor features a master suite with en suite master bath, walk-in closet, and dressing room. Adjacent to the master suite is another bedroom with en suite bath. The third floor has three additional bedrooms and two full bathrooms.

This location is currently empty, but does have power and water.
