The house is an Arts and Crafts style home built in the 1890's with Porte-cochere, full wrap-around porch, 2 decks and working fireplaces, built on a 55 acre lot in the Historic District of Port Washington Heights. Stunning house completely renovated, stayed true to the era in which it was built. The house is incredibly unique with pocket doors, beautiful hand-turned mahogany banisters, railings and molding

It has a full 3rd floor with bedroom and a bathroom. Also has a full finished basement. 2 car garage with small apartment on the premises. The kitchen is large, boasts a butlers pantry with original cabinetry. The master bedroom has a walk-in closet and enormous marble master bath with walk-in steam shower, soaking tub and original architectural details.

Carport, hard wood floors, staircase, modern bathroom, checkered floor, wallpaper, fireplace, arched windows
