Notes

Print only and max # of people permitted is 10 (co-op fees apply)

Harmonious residence out of two separate apartments, combining rooms to create a gallery feeling and replacing windows with French doors to let in light. Period furniture — Louis XVI chairs, a 1940's lacquer-and-steel Jansen dining table, a 19th-century Biedermeier chest — stands out against a shimmering palette.

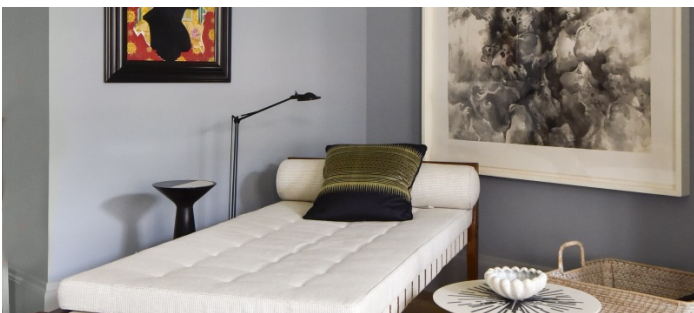

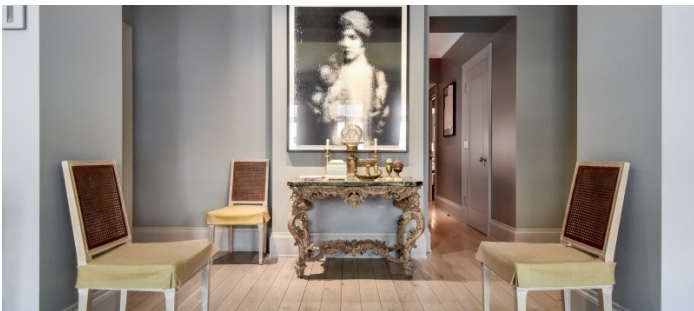

Restrictions:

No shoes in home. Floors to be protected (very light and delicate).

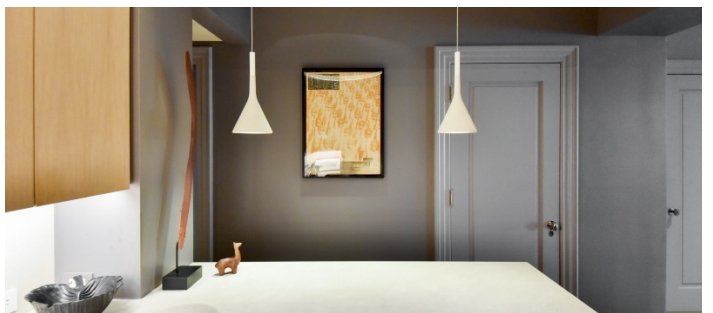

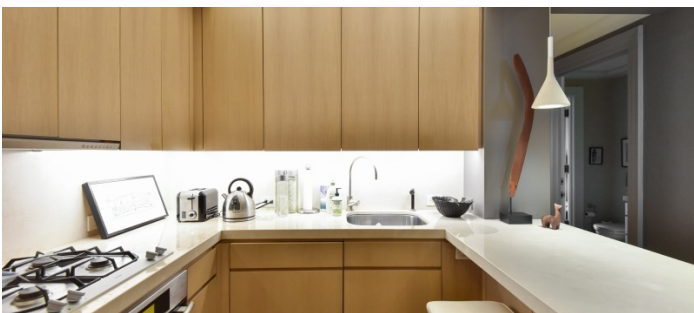

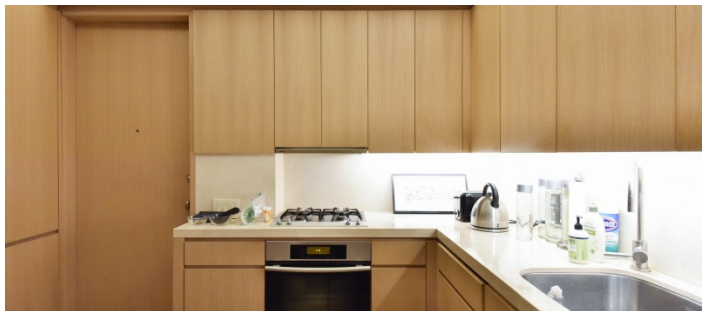

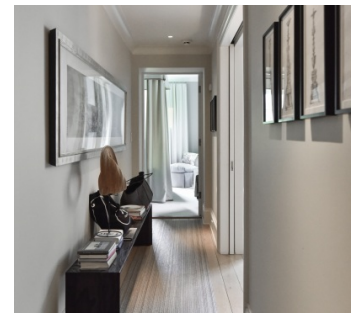

Art may not be shot without copyright.

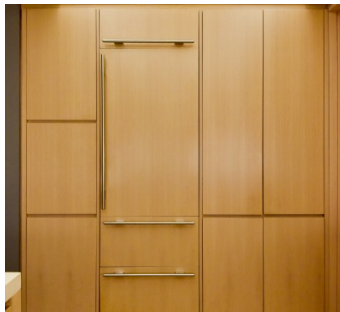

Bedrooms and office off limits unless approved in advance, furniture must be covered prior to anything being placed on pieces.
