## Notes

## Film friendly

Beautiful mid-70's modern home with dark blue painted wood siding. Mature forest setting and landscape. Inside is contemporary decor.

The first floor contains large rooms, the living and TV rooms are separated by stone wall containing huge working fireplace. Living room has 15-20' height ceiling with a wall of windows to the South. The entrance way has double height ceilings. Dining room features 2 large windows facing the front with a 10' dining table. There is a large kitchen with custom cabinets and a small kitchen island. There is an adjoined breakfast room surrounded by windows and mid century furniture.

The 2nd floor contains large master bedroom and bathroom, 2 kids rooms, and guest room. The basement is completely finished and contains a large TV room/working studio, game room with pool table and air hockey, 1 bedroom/bathroom, and exercise room.

Scouting recommended

The property contains a large in ground pool, a playground.

Tall windows, hard wood floors, stone fireplace, colorful rooms, chandelier, kitchen island, basement, gameroom, exercise room, large master suite
