## Notes

## Film friendly

This charming Stanfordville, NY house is 1,500 square with 3 bedrooms and 2 bathrooms, plus a full finished basement (additional 1200 square feet). It is set far back off a quiet country road, surrounded by nature - forests, meadows, wetlands. wildlife. There is a porch, old stone walls, and trails through the woods.

Beautiful converted barn has a great open feeling inside with exposed beams and a wall of windows letting in so much light. The barn is surrounded by trees, and the decor has a mid century feeling.

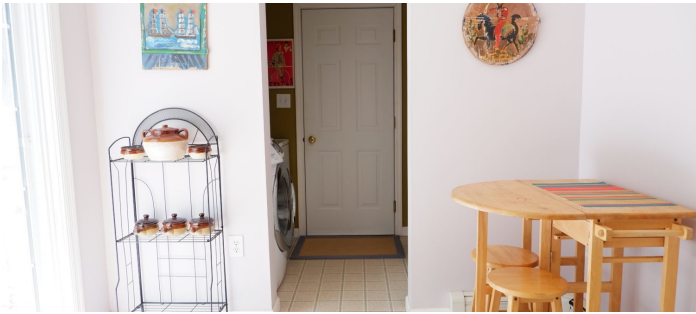

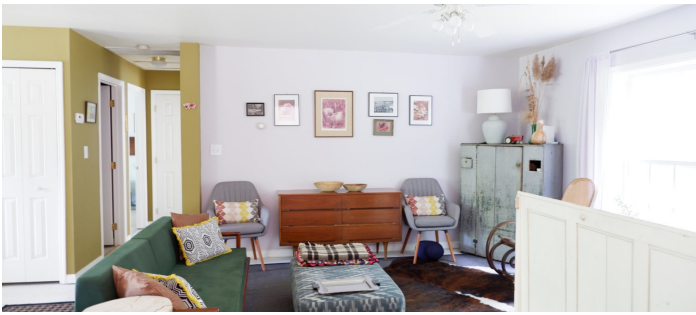

**Restrictions:**

All floors must be protected, booties must be worn over shoes.

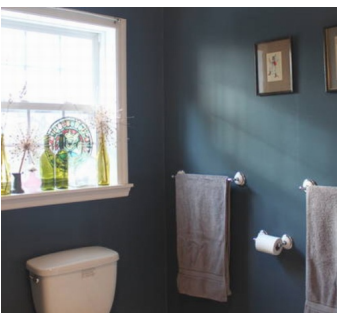

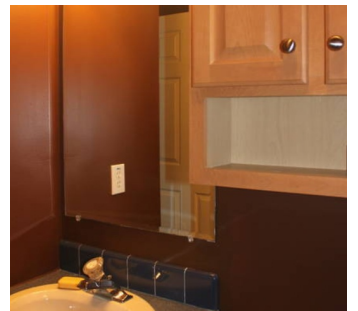

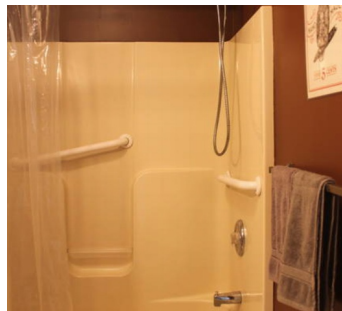

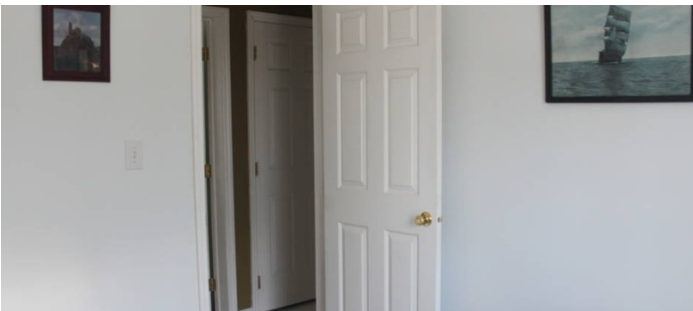

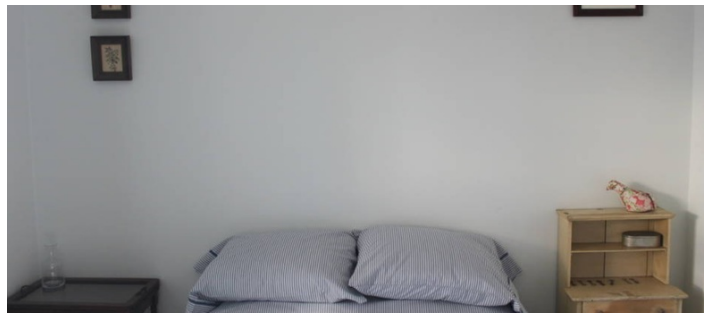

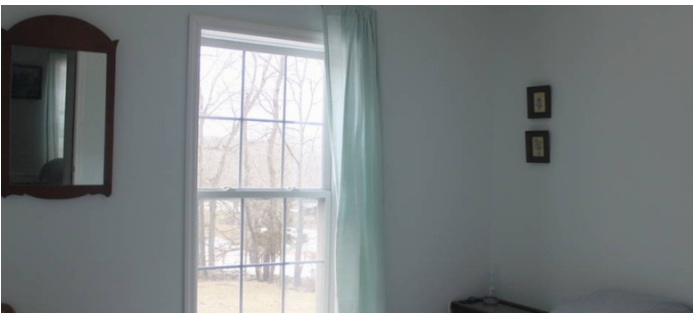

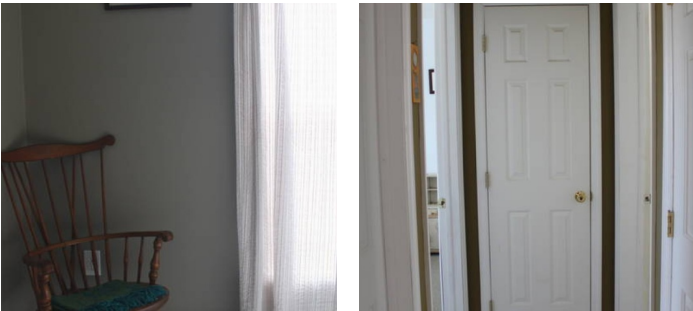

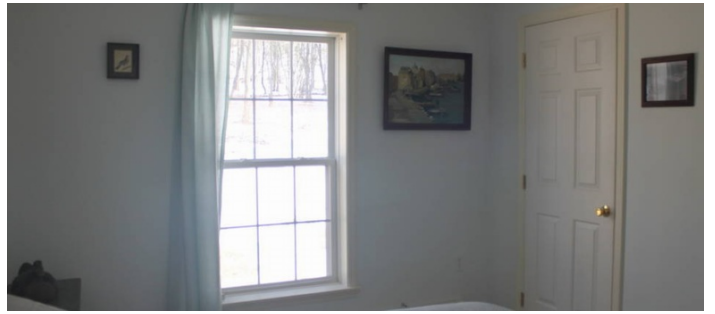

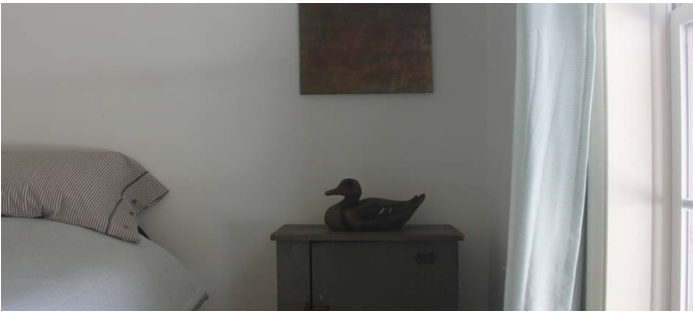

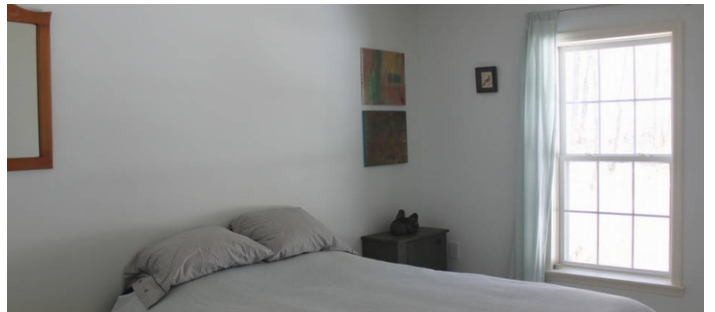

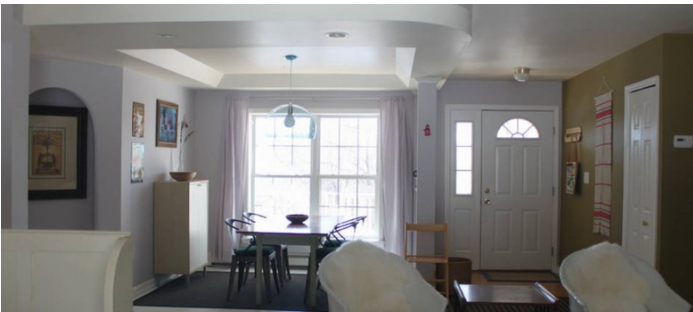

Areas of use determined in advance.
