Historic Sag Harbor house on 1 acre, with heated gunite pool, converted barn loft with exposed beams and brick, and carriage house. Parts of the house date from 1750, the rest is Federal, circa 1835. Impeccably restored, feels like a bit of Nantucket in the Hamptons. Beautiful grounds and white picket fences. Very classic. Pale wood floors throughout the house mixed with important modernist furniture. Some restrictions apply such as no shoes in the house. Large driveway to park vehicles.
