Other locations on this property: 3538, 3539, 3540, 3541, 3543, 3544, 3545, 3546, 8185

This adorable row of mansard roof Victorians were once sailor housing for sailors. They all have cozy fireplace hearths, large windows, slate tiles, and roomy porches. They are set in a lovely park-like environment. Some of the props and furniture in the pictures may be available for use, the art may require special clearances and restrictions

Parking on the grounds for trailers and cars. Catering hall on the complex grounds.
