Notes

Stunning meets amazing in this breathtaking wide open floor plan and a pool. Architecturally designed this modern home presents crisp, clean lines, open spaces and expansive windows providing brilliant light.

5 bedrooms, 5 baths, beautiful porcelain Italian tile floors, a large living room with fireplace, dining room, an exquisite powder room, chef's kitchen with cathedral ceiling and sky light, white marble counter tops, family area off the kitchen with 9 foot sliders overlooking a saltwater heated in ground pool with landscaped private yard with BBQ grill.

Second level a master suite with a private bath, a soaking tub, rain shower, large walk in closet. Also additional 2 large bedrooms and another full bathroom, laundry facilities.

The 3rd floor has an open den, and additional bedroom and powder room bath.

The lower level is finished with a family recreational area and bath.

Pool is closed from November until about April/May.

Restrictions:

All floors must be protected, booties must be worn over shoes

Areas of use determined in advance
