Notes

French Normand style house set on over one acre of walled courtyard, renovated and restored with attention to its original details. This home dates to early the 1900's and retains amazing architectural details including arched windows, solid wide plank dark wood floors and spiral staircase. The house floor plan was designed for entertaining with 18' high ceilings, hand chiseled beams, arched cathedral windows, fine wood details, inlaid reliefs, gleaming hardwood floors, wood stove, stained glass doorway.
