Notes

Built in 1829, this elegant North Fork estate features old world craftsmanship.

There are large porches on front and back and a 25' x 40' pool with separate hot tub.

First floor includes foyer, a sitting room, formal living room, formal dining room with original chandelier and sconces, glass enclosed sun room set up as gym and home office, large kitchen with eat-in area and a butler's kitchen. There are six rooms upstairs, four fireplaces.
