Notes

Film and event friendly

Very unique event and shoot space, small event space, and live-in show home. Owner designed and built two life-size dollhouses in an ex-industrial building in Bushwick, Brooklyn. Has rococo style, industrial, high ceilings, wood beams, chandeliers.

Almost every piece of furniture you see is an original design or restored and modified from it's original form. Some pieces are also available for sale.

Scouting is important, some of the furnishings may change from time to time.

Restrictions:

All floors must be protected.

Areas of use determined in advance.
