## Notes

Film friendly

This amazing 5,000 sq ft Tribeca loft takes up the entire floor, and has great details such as modern chandeliers, a tiled mantle fireplace, hard wood floors, stainless steel appliances in the open floor plan kitchen, a marble kitchen island, formal dining area, a wine cellar, a pool table, a gorgeous marble bathroom, a home office, built in book shelves, 3 bedrooms, and a laundry room. The elevator opens directly into the loft.

### Restrictions:

All floors must be protected, booties must be worn over shoes.

Areas of use determined in advance, etc.
