## Notes

Multidisciplinary, international arts center dedicated to supporting artists; the creative process; and the development of new, innovative ideas and artwork.

Campus comprises a cluster of artist-rehabilitated military buildings, just north of the Golden Gate Bridge at historic Fort Barry in the Marin Headlands, a part of the Golden Gate National Recreation Area.

Projects approved on case by case basis - location fee is donation to the Center to support their artists

Need to keep shoot to their footprint - as part of Golden Gate Natl Rec Area (separate permit required from National Park Service) if go beyond their footprint
