Notes

This sleek, modern, contemporary penthouse apartment is on 2 floors and features 12ft ceilings throughout. The upper level has floor to ceiling windows that feature 360 degree views of Manhattan with stunning views of the Empire State Building.

The apartment has a 1,400 ft outdoor space with a fireplace and designer landscaping.

The distinctive, yet classically contemporary building is clad in limestone, a unique blend of uptown classicism and downtown contemporary sophistication. The entire apartment is finished with European solid oak floors with a distinctive chevron pattern in the living areas.

Restrictions:

No shoes inside house, please protect floors.
