Notes

Set in beautiful country setting and surrounded by fieldstone walls, this modern structure was renovated to entertain guests. More akin to a private club than a private home- and clad in wood and stone, its interiors feature an enormous marble bar, ping pong table, 2-lane bowling alley, game room, workout room, luxurious shower area, and lavish seating areas.

This is a one level, free standing building with easy roll in access.

Restrictions:

Gate code needed

No painting - use of furniture requires owner approval

BOWLING ALLEY + LOUNGE + GAME ROOM
