Notes

Film Friendly.

Space has heat, No AC, 14 ft ceilings, great light, arched windows 10 ft high and 13 ft wide.

Entrance is at the freight area, not in the main building front, to get up on the loading dock is a climb, no stairs, so heels are not recommended.

Freight is only for gear, people have to walk upstairs.

Motor home for large shoots recommended, or holding spaces in same building may be rented.

Parking Lot: commercial building, first come first serve, freight elevator is used by commercial spaces as well, sometimes can be busy (no roof access).

Recording studio off limits: no hanging out in that areas please, very delicate equipment. May be used in background.

The Large X on wall cannot be removed; original artwork must be cleared to be in photos (partial, unrecognizable shots of art permitted), windows face south.

Tall windows, rustic, built in bookshelves, artwork, modern, deer heads, white brick, exposed brick, wood beamed ceilings.
