Notes

An entire 4-floor townhouse in Central West Harlem with a landscaped backyard and lounge terrace.

This historic home mixes industrial design with a modern aesthetic. The open layout and bright art with mid-century furnishings lend to an airy, communal vibe. Features include - a wall of glass, salvaged white oak stairs and built-ins, exposed bright water pipes and steel beams to support an addition.

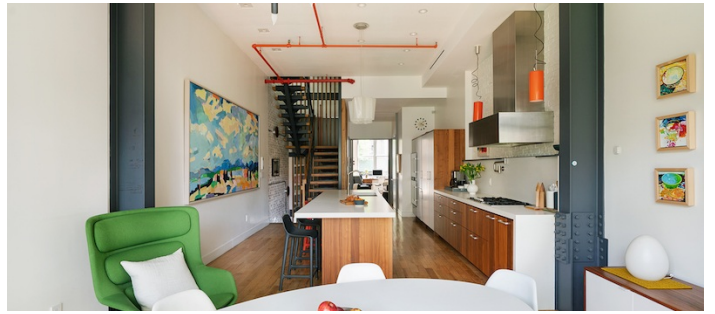

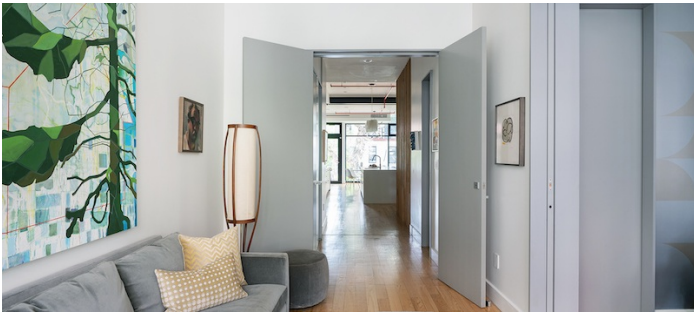

1st and 2nd floor - each 1000 square feet, 3rd and 4th floor each 750 square feet, cellar is 500 square feet.

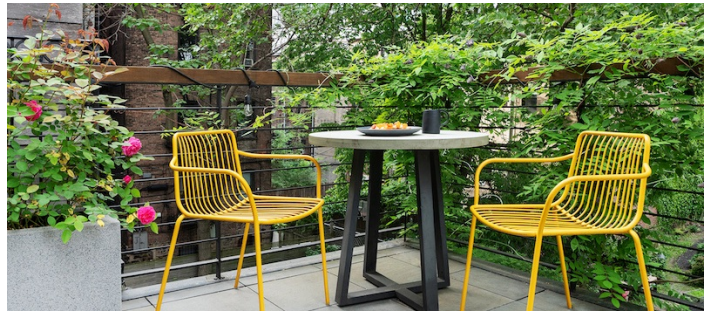

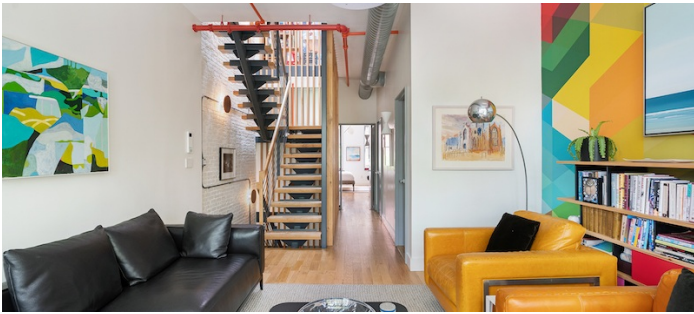

Gaggenau appliances, sonos surround sound, electric shades, central AC and Heat, full security system, wine bar, & original art. Furnishings by ABC Carpet & Home, Gus Modern, DWR, Organic Modernism, Coco Mat, Blu Dot, Pellago Rugs, mid-century antiques.

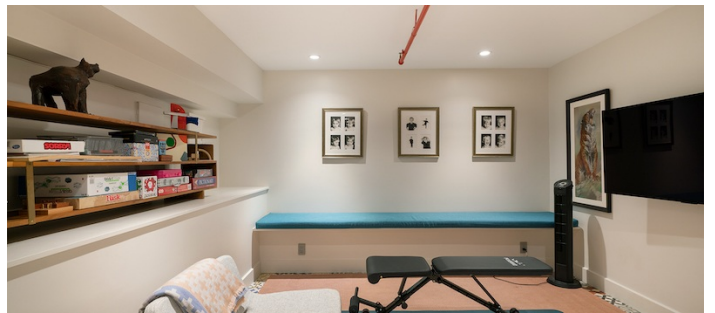

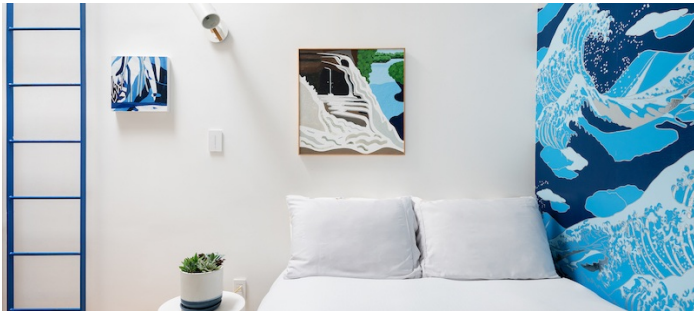

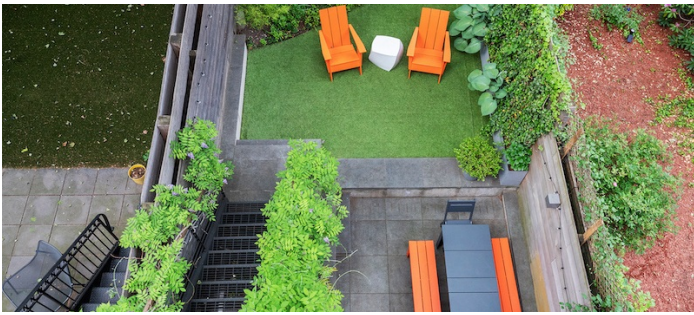

Restrictions:

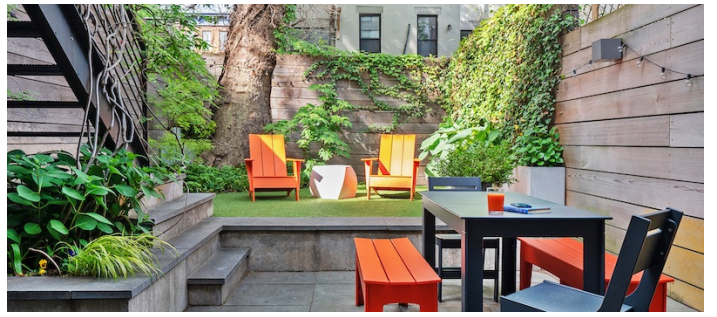

All floors must be protected.

No shoes inside (or wear booties)
