## Notes

The home, called Minwawa, was built over 125 years ago in the Arts & Crafts style. At 7,000 square feet, the house has 7 bedrooms, multiple sitting areas, a 60' long porch and a stunning mountain view. Overlooking a blueberry patch, the house is surrounded by mature 40' trees and mossy grounds.

Many of the interior details have been fully renovated including the original brass light fixtures, octogenarian rugs, wood paneling and ceilings.

A modest 3-bedroom cottage and garage also sit on the property.

The owners also own a barn which is 15-minute drive from the main house - please see listing 8281.

**Restrictions:**

Please bring shoe covers.
