Notes

Brand-new, state-of-the-art soundstage in the Hudson Valley, available for film, television, and commercial shoots, weddings and event rentals. Just 2 hours north of New York City, offering 12,000 square feet of combined production space. Qualified Production Facility certification (entitling up to 40% tax rebate). Purpose-built: plenty of power, soundproof, silent HVAC. On-site for accommodation for up to 24, ample resources available in the area for crew, equipment rentals, lodging, and dining.

Parking, wardrobe, and production offices on site. Super-fast fiber internet. Dedicated loading area (9'x11'). Post-production facilities. A production-friendly local government, with no extra permitting required. 10 minutes from Amtrak station in Hudson, NY. The rich ecotones and cultural offerings of the Hudson Valley.
