Notes

This venue space offers unparalleled amenities, unforgettable views and an unmatched ambiance on the Brooklyn waterfront. From fashion to technology to pure showmanship, this venue presents a rare opportunity to transform a massive, iconic space into a customized, branded experience. In addition to traditional transportation, the private waterfront patio and a 70' boat slip provides an alternative for your guests to arrive by private yacht and water taxi. Bring your biggest and boldest visions to life in a venue where art, science and entertainment thrive as one.
