Notes

Facility is 2,000 sq ft w/ 15 foot ceilings, designed not only to record an orchestra, but also as a creative space to host photo shoots, video productions, live streamed workshops, film screenings, intimate live performances, or VIP listening parties.

Classic, large-format big room, analog and digital recording studio nestled in South Williamsburg. This hand-built space features Protools HD 32 I/O, 2 inch Studer A827 24 track analog tape machine, a fully restored Harrison 4032c 40-channel analog recording console (same series the Thriller album was recorded on), a baby grand Yamaha piano, an impressive mic collection, and more.

Restrictions:

Can't accommodate crews larger than 50.

Gear must be moved by studio staff. No painting or nailing in walls.
