Notes

One of-a-kind modern glass home with rustic charm built in the hills of New York's Hudson Valley.

Surrounded by glass with views of mountains, pool and your own secluded valley; the home consists of 2 separate bedrooms and bathrooms which open to a lap pool and private hot tub. Other features include floor to ceiling glass in every room, custom concrete fireplace and floors, exposed Douglas Fir structure. Custom and designer furniture, lights and fixtures throughout. Full kitchen with European appliances, bar, grill and pool supplies.

Seasonal heated pool, year round outdoor hot tub, shallow sun deck for children on one side and under water bench seating on the far side.

Restrictions:

Events considered on a case by case basis.

No painting or nailing in walls.
