Notes

Historic alpaca farm in upstate New York. Exteriors only for photography and filming. For interior usage, please send request.

Exterior features include: 1900's carriage house, 1840's white eyebrow colonial house with porches and patios, plentiful gardens, open fields, animals grazing in pastures, oak horse fencing, wood chip lined trails through woods, and a unique swamp area with a stream.

Farm items available for rental as props include hay bales, John Deere tractor and tools (shoves, rakes, and post hole diggers).

Picture animals also available for additional fee including alpacas, mini horse, and goats. Certain animals are trained to walk on lead. Owner and animal handler on site and included in price. For specific animal requests, please request in advance.

Parking and staging area available. Compact motorhome available upon request.

Restrictions:

Bathroom use only allowed for crews of less than 15 people.

Motorhomes and/or portable bathroom recommended.

No smoking, alcohol, drugs, pets, nudity, cooking, loud noises or entrance into animal enclosures.

No events or receptions.
