Notes

Regenerative farm located on Long Island that focuses on heirloom seeds and heritage breeds. The farm is landscaped purposefully to be part working farm, part secret garden, part wild woodland by Swedish landscape architect, Lars Kranz.

Also have a beautiful, modern B&B building created by celebrated architect, Pietro Cicognani of Cicognani & Kalla. The B&B is decorated by interior designer, Tricia Foley.

Vegetable farmer neighbor has adjacent farm, fields, farm stand and greenhouse available for separate fee.

Areas of use must be determined in advance.

Restrictions

Music and noise level must be controlled - there are strict noise ordinances that apply. Penalties will apply for non-adherence to noise ordinance.

No shoes inside of the B&B - protect floors and wear booties while shooting.

No nailing or painting of walls.

Prefer small events only - there are exclusive vendors for events.

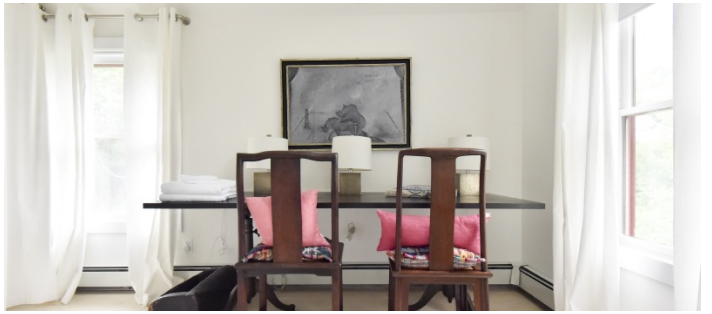

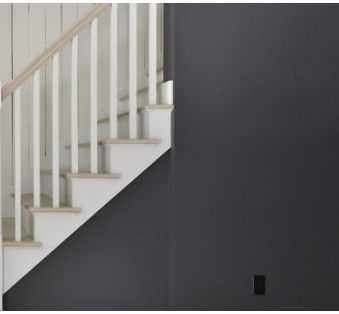

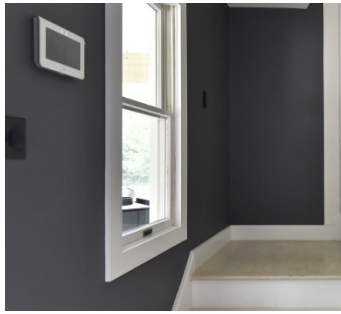

Airstream interior is not available/off limits.

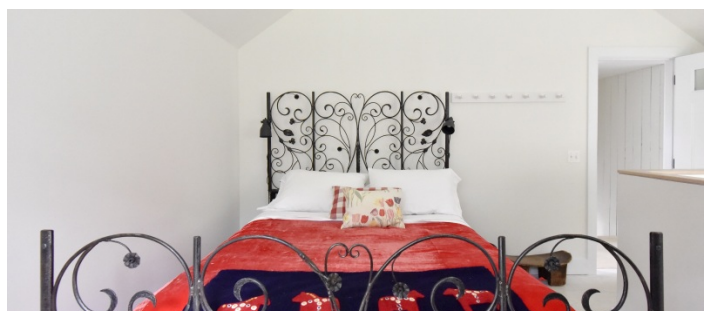

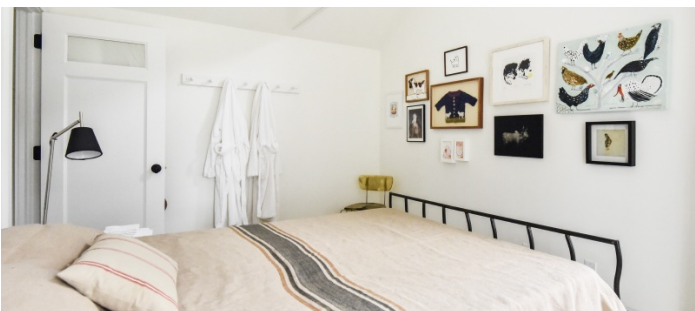

Picture animals must be kept on leash (except when shooting) and picked up after.
