Notes

Modern lake house by renowned architect Alfredo DeVido, built into landscape of rocks, forest, meadow, wetlands, and lake with 48' private dock and 48' indoor pool. Open plan, single floor, 5,000 sq ft, 18 ft ceilings, surrounded by light and glass. The straight and curved walls of regularly spaced windows are striking from inside and out. 4 decks and terraces, one on each side, to take in the views. Trampoline and 48' tree swing.

The lake with dock and water views, with few or other houses visible. Very private as situated on 20-acre preserve bordering one side of 5 acre property and steep hillside and 100-acre lake surrounding the house. Shared boat landing meadow just 200 yards through the preserve (in addition to the dock on our property). Living dining and kitchen are central, pool is down toward lake, with bedrooms upstairs on either end of the house.

Tent can be set up for outdoor events. Off site parking can be arranged.

Restrictions:

No nailing into or painting of walls.
