Notes

Industrial building offers 8,000 sq ft of distressed brick, exposed I-beams, aged concrete floors, large steel original casement windows, neutral walls and sheer curtains. Plenty of natural light. Inventory of iconic furniture available as props for shoots. The building sits on historic grounds with colonial style architecture surrounding the building. Outdoor photo permits are also available.

Restrictions:

There is no dragging of anything on the floors. Everything must be on wheels.

Mirrors, piano and bar cannot be removed.

No nailing into or painting of walls.
