Notes

Completely renovated street-level ranch house with a modern aesthetic. The house is full of natural light with oversized windows and skylights, featuring high ceilings, exposed industrial steel beams, and sliding glass iron doors.

The main area of the house is an open-concept space with a chef's kitchen at the center. Original 70's step down living room with fireplace and oversized windows. There is a large dining room with three skylights and an angled ceiling.

The house features whitewashed oak floors, oversized cement tiles in high traffic areas (kitchen, entryway) and a brand new state-of-the-art kitchen with Viking and KitchenAid appliances and a 10ft island.

The back porch has black stained wood planks, an exposed white brick fireplace, stylish patio furniture. The large backyard has kidney shaped pool, a fire pit area and cafe string lights.
