## Notes

Sprawling custom contemporary home. Extensively renovated in 2016, the home features 5,000 square feet of living space, with 5 bedrooms, 5 full baths, and 2 half-baths.

There are thirty-six feet of south-facing glass sliders, 10 skylights, 9-foot ceilings, and an open floor-plan ensure the entire house is flooded with natural light.

The house has many luxurious modern, custom finishes including: Calacatta Marble feature wall (Primary Bedroom); backlit Calacatta Marble backsplash (Living Room Bar); white oak hardwood flooring; designer appliances and fixtures (Wolf, Bosch, Duravit, Grohe, etc); wood-burning fireplace; custom floating steel and glass staircase; custom chandeliers and designer lighting throughout by Moooi, Vistosi, George Nelson, and NEMO.

The house sits on 4.5 acres of land, and is adjacent to an additional 8,500+ square acres of protected wetlands, giving a very secluded feel to the property. A small pond is nestled in a quiet corner of the yard, surrounded by mature trees and forest. A large 1,500 square foot cedar deck overlooks the backyard, and features a covered, heated dining area, large seating area, and modern sunken spa. Wide, semi-circular driveway allows easy access in and out and can accommodate 10+ vehicles.

**Restrictions:**

Possible to nail into or paint walls with owner's prior approval and as long as walls returned to original condition.
