Notes

8,800 square foot mansion in leafy Northwest Yonkers. Built in 1906 by the prestigious architectural firm of Cady, Berg and See, designers of the America Museum of Natural History.

This majestic residence offers handcrafted stonework, architectural details and extensive woodwork. Features include: graciously proportioned rooms, multiple pocket doors, built in cabinetry, ornate fireplaces, elaborate crown molding, coffered dining room ceiling, intricate ceiling medallions, and grand staircase.
