Notes

1923 townhouse with original detail (marble mantles) and modern additions like the kitchen and bathrooms. It has 3 floors with an open loft space on the third floor. Beautiful pocket doors divide the open kitchen from the living room.

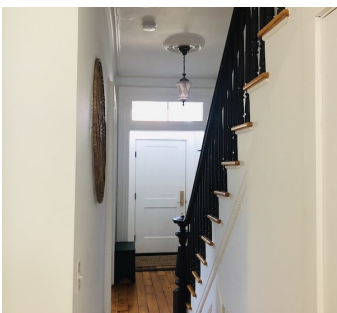

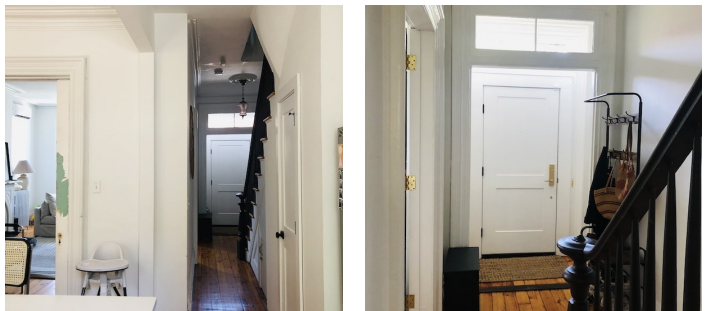

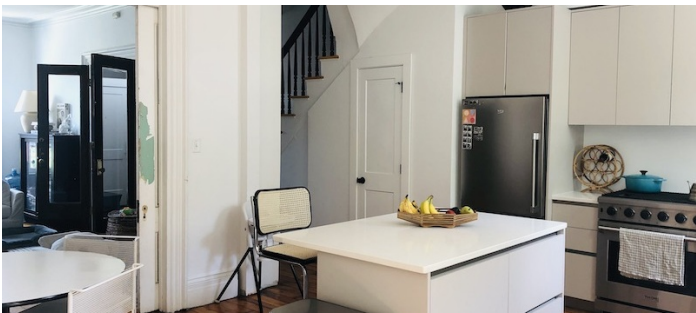

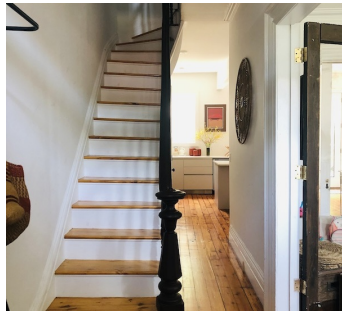

Architecturally designed front and backyard with beautiful sleek wooden deck.

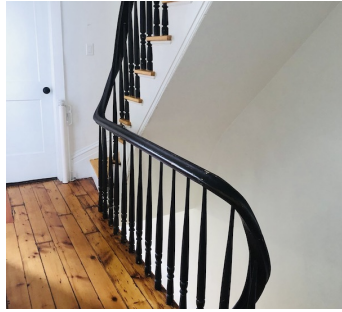

Restrictions:

No shoes inside (except for talent).

No nailing into walls. No painting of walls.

Fireplaces do not work.

EXTERIOR
