## Notes

5 bedroom, 4 bathroom, two story farmhouse on 8 acre property that used to be an old apple farm.

The original building is from 1820 and the main structure has been kept intact with all beams and floors original. The downstairs has an open kitchen/dining room and a living room with a fireplace and a small bathroom. Connected to the living room is an ensuite bedroom. Upstairs has 4 more bedrooms and two large bathrooms. Top floor has 16' ceiling height as attic has been removed.

A little bit away from the house there is a pool in the old apple orchard.

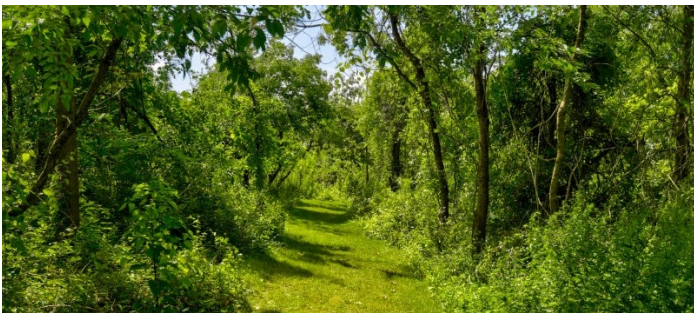

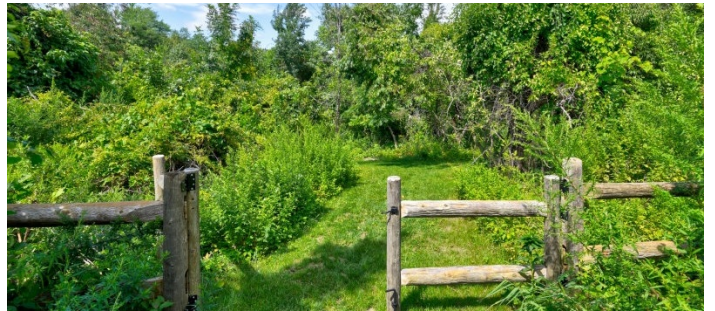

The house has a private road to enter.

**Restrictions:**

Requests to nail into or paint walls must be approved in advance by owner.

Heating for pool has not yet been installed as of October 2022.
