## Notes

Built in 1915 with original landscaping by Frederick Olmstead.

The magnificent wood carvings for the interior of the church inspired by Thistle chapel in Scotland, were installed in 1923.

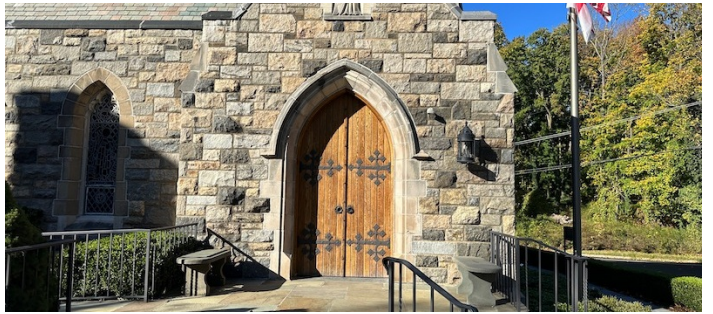

Great Lawn: A 2 acre expanse of gently sloped grass with access to electrical power and the street. Tents are permitted

Cloister: An intimate, enclosed courtyard with walkway and direct access to the church and Parish Hall.

Barn: A charming old horse barn with hay loft, which has been outfitted as a Church Thrift Shop.

Parish Hall: Beautiful woodworking and stained glass windows surround this historic space with large stone fireplace, private entrance and private bathroom. Can hold up to 80 people

Pipe Organ: installed in the 1920s, The exquisite organ case, also dating from the 1920s, was meticulously preserved and restored, with new lighting.
