Notes

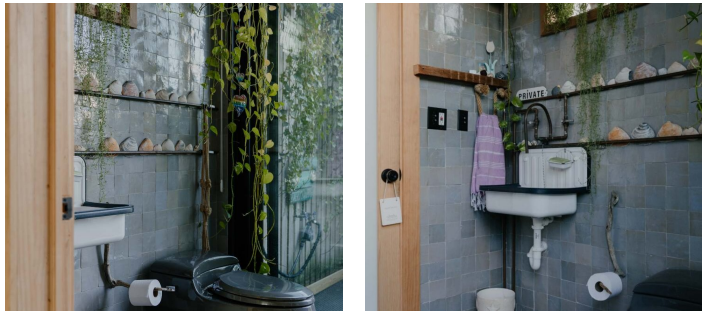

Spacious, airy 2,000 square foot home filled with natural light, wood elements and lush plant greenery. The decor features mosaic tile and plush lounging areas with warm pops of color.

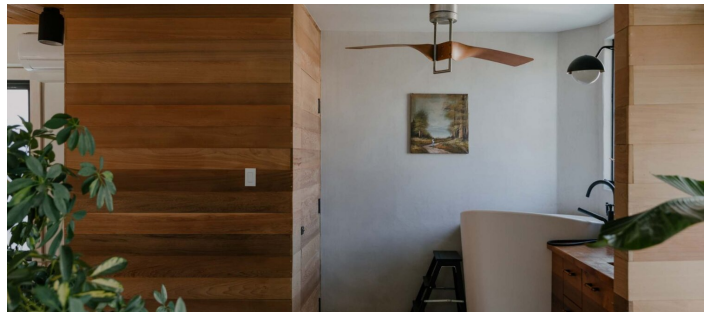

The ground floor has a bright living area, intricate blue-tiled kitchen, and a bathroom with a floor-to-ceiling window view. The first floor provides direct access to the landscaped backyard lounge area.

The second floor has a living area with projector, high-end U-shaped sofa, a foosball table, a bedroom and bathroom, and access to two outdoor deck areas.

The third floor features the master bedroom, a skylit meditation space and a unique bathroom with rain shower and stone floor.

Located just off Rockaway Beach.
