Notes

Bright 10,000 square foot workspace on 9th floor surrounded by panoramic city views of Manhattan, Brooklyn, Queens and the East River. Complementing the building's brutalist-style architecture, the space is custom furnished with solid oak millwork, rich and colorful textiles, rare marble surfaces, and original artwork.

The open floor plan features desk areas, communal tables, banquettes, and lounge seating, plus a kitchen, private offices, bookable meeting rooms, and a showstopper library space with seating for up to 20.

Restrictions:

No painting of walls. Requests to nail into walls must be approved in advance.

Some furniture can't be moved. Only chairs are moveable.
