Notes

Unique, newly renovated warehouse conversion with soaring 15 foot ceilings and multiple different areas for meetings and gatherings. The total space is nearly 7,000 square feet with 4 conference rooms, 6 bathrooms, kitchen and 500 square foot private outdoor space.

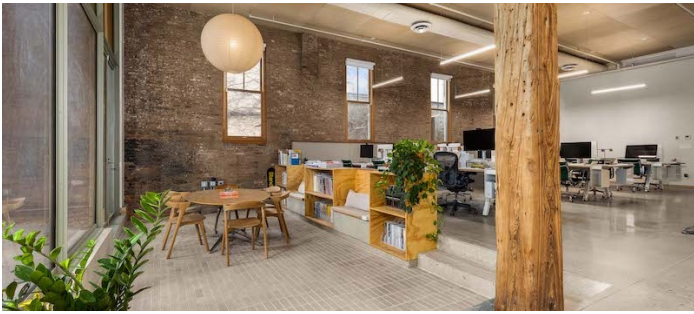

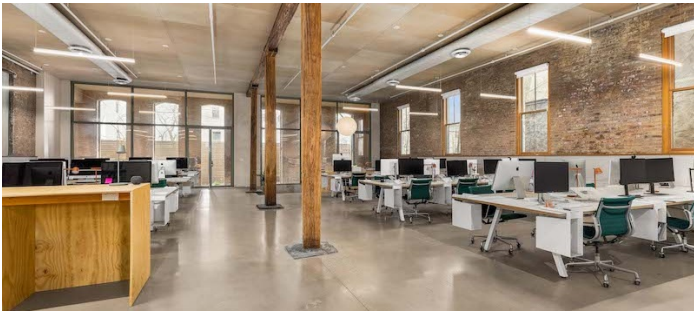

Ground floor has reception/lobby area with exposed brick and refurbished beams, multiple desk areas, a private outdoor space and a sunken open meeting area for co-working. This level also includes an enclosed conference room with wall mounted TV and four 1/2 bathrooms.

The second level features an open plan kitchen and dining or meeting area, three conference rooms and a seating area complete with library and couch and two bathrooms.

There is an apartment on the top floor that requires additional clearance to access.

Restrictions:

Requests to nail into walls or to paint walls require advance approval (on case by case basis).

2ND FLOOR

APARTMENT - SEPARATE CLEARANCE REQUIRED
