Notes

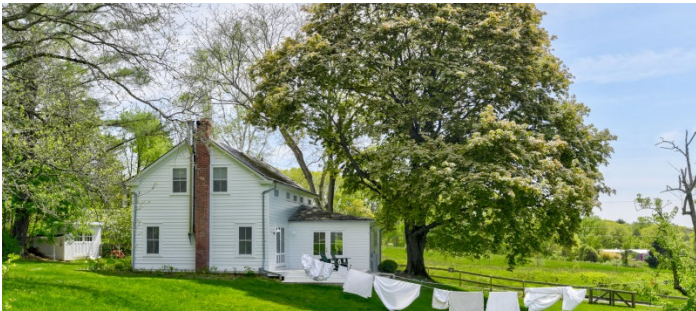

Small, charming, historic clapboard house overlooking the Hudson River with views to the Catskill mountain sunsets.

The house is simple and bare in a Shaker meets Swedish minimalistic style. The place has a great energy with old floorboards and clean white walls with loads of light; every window looks out to something green because the house is surrounded by old trees and gardens.

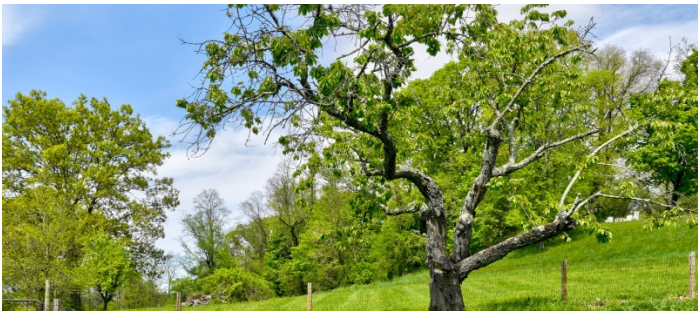

The house and barn are available together.

Restrictions:

Owner prefers no nailing into walls or painting of walls. Requests will be considered on case by case basis, and must be approved in advance.
