Notes

Built in the early 1930's this 4,700 sq ft custom house is situated on 3.5 acre lot atop the Jockey Hollow preserve between Morristown and Bernardsville.

House features slate roof, stone facade and offset from the main house a large gunite pool with patio, bluestone terraces with stunning unobstructed views. There are two main floors and a finished basement.

The sprawling property can accommodate large equipment, trucks, and crews.
