Notes

Recently renovated 2,600 square foot townhouse located in the center of Greenpoint's historic district, on the neighborhood's most iconic treelined street.

The house is spread out over four floors with an open plan living/kitchen/dining room on the first floor which is bathed in morning sunshine; a fully finished open plan living space in the basement; four large bedrooms and 2.5 bedrooms. The renovation has made the property open, light, and airy, with modern design touches.

The townhouse has a spacious outdoor area, perfect for entertaining and relaxing.
