Notes

1910 Arts and Crafts house with English style cottage roof. This waterfront home built by a noted architect John Sarsfield Kennedy and has original woodworking, a 35' ceiling and leaded windows in living room, and boulder stone fireplace. 1st floor has open space for many shooting angles including a balcony overlooking living room.

Large driveway for parking vehicles, original woodworking, 6 persons sitting bar in den.

Restrictions:

No nailing into walls. Requests to paint walls must be approved in advance by owner.
