Notes

Chalet constructed using traditional log home-building techniques perched high along the northern edge of the Catskill Mountains offering spectacular views across 22 secluded acres. The porch wraps three sides of the house and is covered on two of the three sides.

The interiors are furnished with an eclectic mix of contemporary and modern and unique vintage and mid-century modern pieces. The kitchen features an oversized granite island with built-in oven, range and microwave.

The master bedroom upstairs is very spacious and features vaulted ceilings, an en suite bathroom, a king bed and a desk. The larger bedroom downstairs has a king bed as well, while the smallest bedroom features a queen bed. Both of the downstairs bedrooms are located adjacent to the downstairs bathroom.

As of June 2023 we've added a 10' long farm table outside

This house features Starlink for incredibly fast internet. There is central heating and central AC.
