Notes

80,000 acre ranch at the end of a quiet valley and nestled against the Big Horn Mountains at the mouth of Paint Rock Canyon, the largest watershed in the Big Horns. 1,200 acres of irrigated pasture, stunning red wall cliffs and live flowing streams. Backs up to BLM and FS land.

Resources available on site for additional rental fee: horses, tack (saddles, bridles) and riders, 2 livestock trailers, 4 ranch trucks, large tractors and farming equipment.

Restrictions:

No interior facilities available.

Productions should bring generators for power and portapotty/motorhome for bathroom.

Crews would need to bring all production supplies: pop ups, tables, chairs, generators, coolers etc.
