Notes

Loft designed to function modularly, so can set up several scenes in one place with extra rooms for talent and staging.

There are 2 separate daylight furnished studio lofts ranging from 1,700 square feet to 3,300 square feet. Separate finished backyard space and rooftop with city views. Green room and hair/makeup room.

Ground level for easy load-in.

Off street parking available for additional fee.

Restrictions:

Please note that decor and soft goods are not included in the rental. Kindly inquire about our prop catalog to explore options for internal decor, soft goods, and table scape items available for rent.

Furniture within the client suite is fixed in its layout and cannot be moved or rearranged.

Plants are restricted to specific locations within the Greene Loft. Please refer to the floor plan for precise positioning and scale reference. Only studio staff are authorized to relocate indoor plants and trees. Outdoor (garden) plants are fixed in their positions and cannot be relocated.

Requests for the removal of wall art must be submitted at least 24-HOURS prior to the shoot.
