Notes

Modern farmhouse situated on private 23 acres with cute accent decor, living room with double height ceiling, bar area, indoor fireplace, and outdoor firepit. House features high end finishes, Italian marble kitchen and bathrooms, and 5 bedrooms with ensuite bathrooms.

There is a separate barn structure which use to be a horse stable (now has some games like ping pong table, futsal which are easily moved away if needed). There is a large 4 car garage in the barn and above is a finished 1-bedroom apartment with bathroom.

A 45'x18' gunite pool in between barn and main house will be constructed with plans to start end of February 2025 for completion in March. Likely construction of a padel court around the same time.
