Notes

Event space in South Williamsburg lends itself to various possibilities with option to open the walls to the street offering a wider angle.

Features include: corner space on quiet block with natural light, walls fold open from floor to ceiling on two sides of the space, custom metal table and barn wood benches, black leather original chesterfield sofa, gathered antique pieces for props.

There are 4 large Bose speakers throughout the space for continuous sound.

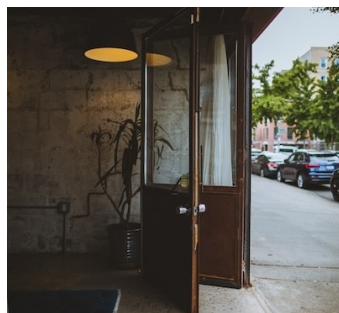

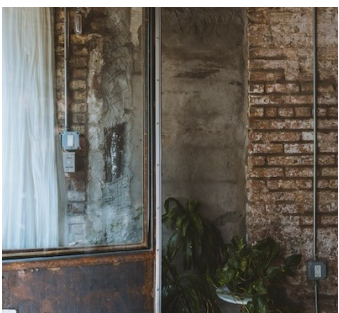

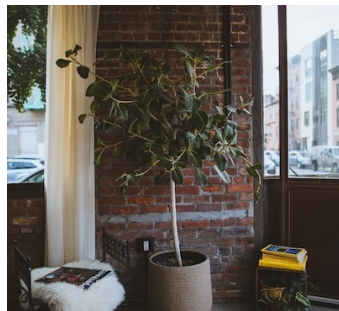

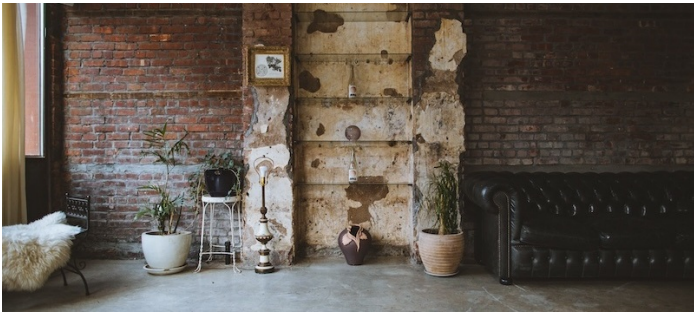

Furniture is subject to change. Site visit recommended.

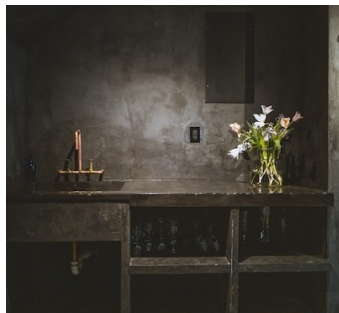

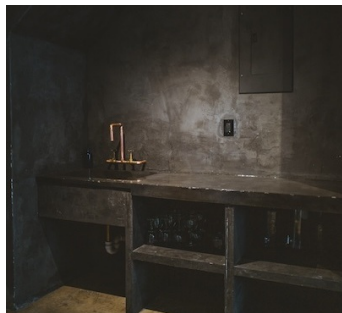

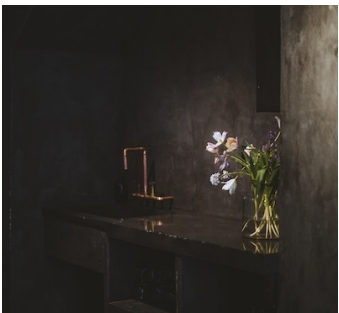

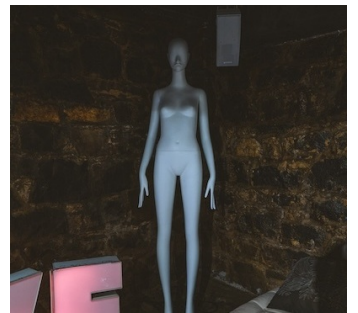

Restrictions:

Limit of 70 people inside.

No activity allowed after midnight.

No painting of walls. No nailing into walls; OK to use pre-existing holes in walls.

EXTERIOR
