Notes

Nestled in the heart of Fort Greene, this professionally designed loft exudes character with soaring 15' ceilings, exposed white brick walls covered in fine art, and an eclectic mix of vintage and modern furnishings sourced from around the world. From the vibrant blue velvet sofas and curated antiques to the striking wall art and textured details, every corner is an artistic vignette.

The loft is exceptionally quiet and private, bathed in indirect natural light, thanks to its expansive windows and glass doors leading to a private outdoor area. A suspended disco ball, warm lighting accents, handcrafted ceramics, and thoughtfully arranged decor create a mood that is both whimsical and sophisticated, worldly and intriguing.
