Notes

Immaculate and professionally-designed post & beam home surrounded by 38 acres of nature and vistas of the Taconic Mountains. The decor includes a collection of handpicked original art and an array of eclectic antiques mixed with furniture crafted by acclaimed contemporary designers from across the US, Europe, and Africa.

This chic house features oak floors, solid oak posts & beams, French doors and mullioned-windows and a cast iron wood-burning stove in the high-ceilinged main living room. Open kitchen has carrara marble countertops, top of the line Bosch appliances. Schumacher and Pierre Frey window dressings & upholstery throughout. The main floor bathroom has an fully restored antique clawfoot tub, antique porcelain sinks. A cozy theatre room is found on the downstairs level.

Outside is an expansive 24' wide deck, a custom-built cedar hot tub, a large firepit and a 50' heated saltwater swimming pool.

Driveway fits approximately 10 cars.

Restrictions:

The large art piece above the windows is extremely fragile and should not be moved.

No painting of walls. Requests to nail into walls must be approved in advance; if approved, must be repaired/returned to original condition upon project completion.
