Notes

Bespoke event space offers 5,500 square feet across 2 floors, with thoughtfully curated design accents, and hand-painted wallpaper.

The two main rooms on the ground floor are filled with plush furniture that can be moved based on particular need. There are gorgeous chandeliers and a secret bookcase hidden in the library shelving. One room is bright with natural light and the other is dark and brooding like the Oxford Club. There is an outdoor mini-terrace available most of the year.

Adjacent to the grand room is a hand-painted shaker kitchen and a leathered marble kitchen island. The fully equipped chef's kitchen is a luxurious and elegant space, ideal for hosting events and dinner parties.

Rental fees include A/V, security and staffing, glassware & tableware and the fabulous furnishings. Food can be on-site catering, drop-off catering or off-premise catering.

Restrictions:

240 people max occupancy.

No painting or nailing into walls.
