Notes

Film friendly

Red Hook 3 bedroom loft with exposed brick and beams, distressed surfaces throughout, open space, kids room, kitchen island and wonderful natural light.

Property has a deck, parking area, 50-ft mural on outside brick walls, a very architectural "tiny house on wheels" that can serve as a heated and air conditioned production office with a private bathroom, kitchenette and work space. There also is a shipping container converted to workshop on site. Possible to stage two 50 ft trailers off the street. Access to roof possible upon request.

Please note that all furniture can be moved to on-site shipping container for storage as long as it is moved back.

Restrictions:

Floors protected.

Areas of use to be advised in advance, etc.
